Ihr bat de Gray Sie zu bewachen ich habe
mir eins von den 3 Sets of Keys hergelassen ge-
geben, welche Sullivan als letzte Probestücke
von Sugar erhielt und von denen er mir
eins gab, welches ich eben ersetzt wünschte durch
ein von den 2 Sets welche unter Sullivan
haben sich befinden müssen. Diese 3 Sets
sind merkwürdig, mit ⁹⁻¹⁰⁻¹¹ M. M. und Namen versehen,
viel vollständiger als das Set was Sie mir
geschickt haben in welchem auch viele
notwendige Correcionen noch unangeführt
waren. Sie nicht die Gefälligkeit haben
mir das Set, was ich jetzt habe mit einem
vorzulegen wie ich es wünsche und wie es mir
als Ersatz für ein gleiches, was ich hätte,
fokormmt. ungenügend.

Oder noch besser würden Sie mir beide
Sets geben und wenn Sie nicht anders mögen
woll Sie das alte noch einmal oder soll ich
es frag darüber?

Beim Set ist aber an die richtigen
Letzte 21 Stücke.
